

**Portfolio Assignment– End of Year Reflection**

This is a document that will help me refine the program. My hope is that you have gained insight into your future with your WBL placement AND assignments. Please be CONSTRUCTIVE with your criticism and offer your ideas on how to solve any complaints or issues. I do make changes each year based on your feedback as I continue to make WBL a viable and successful program at Cartersville High School.

**Directions:**

Compose a **minimum 1.5 page**, typed (12 point font, **Single-spaced**, times new roman) essay that describes answers the questions below about your experience this semester. Please be thorough and descriptive.

1. What you learned at your job/internship.
2. Things you liked about your job.
3. Things you would like to change about your job.
4. Write about any advice that you would like to give your employer if you felt the freedom to express your opinion.
5. Write about what your idea of the perfect job is.
6. Discuss the advantages and disadvantages of the Work-Based Learning program and what we could do to improve it.
