

Build a Work Philosophy based on YouScience

Work Philosophy:

- How do you approach work?
- What qualities do you bring to work that make you and the company/organization successful?
- What do you think makes a successful employee?

How you view work, and your career, will be a huge factor for the interviewer when determining your fit with their organization.

Directions:

1. Visit your YouScience Results (Login directions are below)
2. Go to your “aptitudes” and find your “personal approach”
